Dear ODAV c/o Alex Thomas,

As a pilot that flies off KUAO, please register and record my urgent input for the Aurora Airport Master Plan that is underway not to consider the condemnation and destruction of any aircraft hangars.

Hangars are in very short supply which has driven the prices up dramatically. In addition the owners of the hangars that are proposed to be destroyed have no viable option to relocate on the airport.

There is more than ample access to KUAO via Airport Rd NE for vehicles. There is no need to add an internal roadway.

Thank you,

Ted Davis
