Dear ODAV c/o Alex Thomas,

I am a pilot that flies out of KUAO and two other airports nearby. Please register and record my urgent input for the Aurora Airport Master Plan not to consider the condemnation and destruction of any aircraft hangars.

Hangarage in this area is already scarce and therefore expensive, and aviation cannot survive without a stock of affordable hangars. Demolition of any hangars at Aurora State airport will add to what is already a big problem, and will have a far reaching economic impact.

Thank you

Adrian Funnell
