Hi Dave,

This chapter is discussing issues with design standards and safety, including hot spots. Mitigation and your proposal will be evaluated in the design alternatives, which comes after this chapter. I have forwarded your email over to the master plan team, and look forward to that discussion 😊

Name	David Waggoner
Organization	Willamette Aviation
Comments or questions?	Alex, How do I get an item in the Master Plan we're discussing tomorrow? I've have a solution that should remove Hot Spot 1. Tony Beach has a copy of the proposal. He said it needs to be in the Master Plan so the ALP can be modified.
