 **Aurora State Airport Master Plan Website Comments**

**Name** Trevor Conroy

**Organization** Self

**Comments or questions?** We are local residents in Butteville and we totally support the planned growth of the Aurora State airport, adding 500ft to one end of the runway to increase safety margins for larger aircraft and develop the land mid-field with hangars. UAO is a fantastic airport that has so many businesses, employing many locals.

I would like to receive email updates.
