Hi Brandy and Jen,

ODAV asked us to add this to the official PAC record for the UAO AMP. Can you add it to the communication received?

Thanks,  
Matt

Kenji,

We'd like to schedule a 20-minute zoom meeting with you this coming Tuesday or Wednesday to discuss KUAO. As you know, the aeronautical interests at the airport are justifiably quite concerned about the master plan alternatives and it has gotten the attention of national interests as well. We want to be sure that you understand the concerns and we would like to understand your thinking for advancing them. Please let me know what works. Thank you. All the best, Wendie
