Tony H. - your recollection is incorrect.

If anything, any discussion about a last minute alternate substitution was about how inappropriate it was and how we would be providing additional time for public comment to accommodate former Sen. Johnson if she so wished.

We are looking to prevent process issues that would likely result in litigation from those opposing the master plan.

Hi Tony,

I don't remember laughing about that specifically, but we'll include your comments in the record. Yes we did receive a few last second and conflicting requests to change PAC representation or add alternates within an 80 minutes of the meeting starting. I explained why we would not make these changes so close to the meeting, and that the public would have ample opportunity to comment in the meeting and provide all of their comments in full in writing. That opportunity was provided in the meeting, and we went overtime to allow the public to provide additional comment.

Regarding Mr. Brownlee's request, he was replaced on the PAC by Jon Bickford when he took over for Trent as GM for Atlantic Aviation at UAO back in September. As a reminder, the latest PAC list is on the website here: <https://publicproject.net/auroraairport#>

Thanks for your comments and input in the PAC meeting,

Tony Beach

This message was sent from outside the organization. Treat attachments, links and requests with caution. Be conscious of the information you share if you respond.

Please enter into the record that I logged into the PAC meeting approximately 7 minutes before it started where I heard you, Tony Beach and Kenji Sugahara laughing about about not letting Senator Betsy Johnson be allowed to represent Atlantic Aviation. It is clear to me the request was received before the start of the meeting and was clearly known to you.

Hi Trent,

I apologize for not responding yesterday, I was preparing for the meeting.

Currently Jon Bickford is the Atlantic Aviation representative on the PAC and no alternate is listed.

If Atlantic Aviation would like to make a change to your representation on the PAC, please let me know ASAP so I can get the right people on our email list and update our membership list on the website.

Thank you,

Hi Brandy,

I won't be able to join the PAC meeting and request that Betsy Johnson be my alternate for the PAC meeting tonight, is that something you can accommodate? I appreciate your help with this.

Thanks,
